Scavenger Hunt Virginia Tech Museum of Geosciences

Put a check mark in front of the item when you find it. You may also fill in the blank with information from the label if you like; there *may* be more than one possible "answer" for each blank. Have fun!

1	_a purple mineral (not a gem, but a natural crystal)	
2	_a transparent crystal on a black rock	
3	_a black crystal on a white rock	
4	_orange crystals	
5	_a blue mineral	
6	_a mineral that is shaped like a mini volcano	
7	_the "Hokie topaz" (what color is it?)	
8	_a piece of copper as big as a table-top	
9	_a mineral from Mexico	
10	_crystals that show the "mineral habit" of twinning	
11	_calcite crystals too big to lift (can you guess the hardness without touching?)	
12	_three minerals found in Virginia	
13	_a fossil found near where you live (VA residents only)	
14	_star-shaped fossils	
15	_fish fossils	
16	_a fossil sloth jaw	
17	_a fossil saber-toothed cat tooth	
18	_a crinoid fossil	
19	_a titanotheres fossil (carnivore or herbivore? – look at the teeth)	
20	_a tree-root fossil (from what kind of tree?)
